

A hot day in the Stonor valley saw Stoke Row win the toss and put Stonor in to bat. Wise and strong batting from I Harris (149 not out) set the tone for the home team, R Denton provided some lusty blows to move the Stonor score on to a healthy 259 the host team making the most of home advantage.

Stoke Row started well after tea but soon after the wickets fell before R Ashton arrived to steady the innings posting a carefully crafted (91 not out) however the home team total remained too big for the Stoke Row team and Stonor were unable to get the last few wickets. (Match Report: Marc Lovatt)
